RCRA LAND DISPOSAL RESTRICTION NOTIFICATION

Generator Name: Douglas Aircraft Co

Profile Number: E1062AK4

PA ID Number: RCAD08657000.5

Manifest Number: 72120539

This form is submitted to **NORRIS ENVIRONMENTAL SERVICES** in accordance with regulations published by EPA at 40 CFR Part 268, which govern the land disposal of certain untreated hazardous wastes. The hazardous waste identified above is one of the "California List" wastes under EPA's Part 268 regulations. In accordance with the waste analysis and recordkeeping requirements specified by EPA at 40 CFR 268.7, I have marked the appropriate box below which indicates how my waste must be managed to conform to the land disposal ban regulations. (See instructions on reverse side for marking appropriate box.)

Restricted Waste Requires Treatment

(1) ☒

I am the initial generator of an untreated waste identified above which must be treated to the appropriate treatment standard set forth in 40 CFR 268 Subpart D, or where no treatment standard exists for the California List waste, the waste must be treated to the levels specified under 40 CFR 268.32.

Restricted Waste Treated to Performance Standards

(2) ☐

The waste identified above has been treated in compliance with the applicable performance standards specified in 40 CFR 268 Subpart D and/or the applicable prohibitions set forth in 40 CFR 268.32. "I certify under penalty of law that I have personally examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and that, based upon my inquiry of those individuals immediately responsible for obtaining this information, I believe that the treatment process used to support this certification and that, based upon my inquiry of those individuals immediately responsible for obtaining this information, I believe that the treatment process has been operated and maintained properly so as to comply with the performance levels specified in 40 CFR Part 268 Subpart D and all applicable prohibitions set forth in 40 CFR 268.32 or RCRA Section 3004(s) without dilutions of the prohibited waste. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment."

Restricted Waste Subject to Variance

(3) ☐

The waste identified above is subject to a case-by-case extension under 40 CFR 268.5, a no-migration petition under 40 CFR 268.6, a nationwide variance under Subpart C, or is soil or debris generated from a response action taken under CERCLA or corrective action taken under RCRA.

I hereby certify that all information submitted in this and all associated documents is complete and accurate to the best of my knowledge and information.
